SCHOOL PROFILE

Coeducational State Boarding School

Total number of students:	Between 1,000-1,200 with approximately 65 Boarders
Fees:	Sixth Form – 18 Boarding fees per term: £3,150

All students follow national curriculum.

The school and all tuition is funded by the government, boarding has to be self-funding.

The school offers a wide range of activities and is fortunate to have a sports centre and large grounds that offer students the opportunity to take part in indoor and outdoor sports. Activities also include music, drama, photography along with many others.

Most of the day students are from the local area. The school achieves a high level of academic success with support staff on hand for overseas students.

Boarding places fill up very quickly, early application is recommended.

The school has good air links with two major airports within an hour's drive.

SCHOOL PROFILE

Coeducational independent School

Total number of students:	Approximately 130-150 including 80 boarders (46 boys and 34 girls) Sixth Form 45 students
Fees:	2017/2018 Boarding fees per term: £8,750
Boarding community	International Generally 15-20

The school follows National Curriculum.

The school is a small privately owned school and offers students a family orientated atmosphere both at school and boarding. Their high academic standards ensure that all students are given the opportunity to fulfil their potential and make best use of their talents. It offers excellent pastoral care and has a particularly good EAL department for overseas students.

Activities include mixed netball, film making, cookery and photography.

The school is situated in a small rural area and enjoys extensive grounds and runs regular shopping trips to the local town to allow students to purchase snacks and personal items.

Airports are some distance away but the school organises transfers using their own drivers and mini buses.
